

TRY 3 months for free!

You will have access to Scoolia Business in its entirety without any binding requirements or costs.

We profile your account with your logo and colors so your participants will feel at home.

You can create courses and study flows and have up to 25 people logged in to the platform at the same time (unlimited number of registered users).

You can produce interactive study material and follow your participants' development.

You will receive Swedish or English support and user support from us.
